DRAMA PAGEANT - "Through Missionary Windows"

* * * * *

DESCRIPTION - Manitoba Conference Branch is presenting tonight a Drama Pageant, "Through Missionary Windows", with the sincere hope that you will catch a glimpse of the indomitable spirit of the founders of the Woman's Missionary Society and of the heritage they left to us; and also in the hope that we in turn may move into the new organization, "United Church Women", ready to share the varied gifts we have to offer.

By means of narration, tableau, posters and dialogue, we will present some of the scenes portrayed through "The Missionary Windows" of the Woman's Missionary Society since 1816.

The early scenes will take us far back in-- to the past when Canadian church women first felt compelled to undertake missionary work. Following these there will be portrayed some of the gifts brought into the Woman's Missionary Society of The United Church of Canada by the three large denominations; and finally, several scenes describing a few of the projects which have been carried out successfully by Manitoba Conference Branch.

Manitoba Conference Branch wishes to thank all who have worked to make the pageant a success, with special thanks to Mrs. F. R. Bullock.

1. Women of God arise,

Put from you trivial things;
The changing pattern of our times,
A challenge to you brings.

2. Women of God arise,

The tasks before you wait;
His strength can make your weakness strong,
His power can make you great.

3. Women of God arise,

Your sisters suffer long;
Bring in the day of peace and hope,
Of right instead of wrong.

4. Women of God arise,

Renewed in heart and hands;
The total mission of the church
Your total love demands.

5. Lift up the cross of Christ,

In homes from sea to sea;
Oh women of the church of God,
In Christ united be.
